

Eparchial Communications Office

**Thanks To Your Gifts To The Annual Eparchial Appeal
We Use Technology To Nurture and Support Faith!**

The Divine Liturgy is live streamed from Dormition of the Most Holy Mother of God parish in Saskatoon every Sunday.

The Eparchial Communications Office works to hold our Ukrainian Catholic community together by keeping us informed and connected. There is a mountain of information and numerous services that are provided by our Eparchial organizations, which the Communications Office promotes, distributes and publicizes in various ways. One unique use of technology is a beautiful online service in which the Divine Liturgy is brought into the homes of those who are shut-in or housebound. Your contribution of love is making those who are less mobile feel included in parish life.

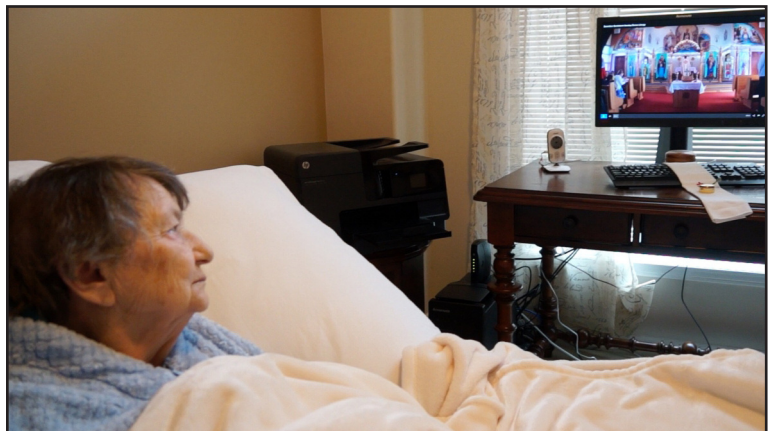

Building connections of faith and love in our Eparchy

“God is merciful and God is good! We heard about the Divine Liturgy being streamed live online from the Dormition of the Most Holy Mother of God Parish, here in Saskatoon.”

“If we couldn’t bring Bernadette’s mom to the Divine Liturgy, why not bring the Divine Liturgy to her mom? And we did just that.”

“We hooked up a computer and speakers inside her room and she was able to participate. Being an Extraordinary Eucharistic minister, I had the privilege of bringing Jesus to her in Holy Communion, which she received during the Divine Liturgy she watched from her bed. **Being able to do this has been a blessing for her and for us.”**

- Yurij Popowych, Ss. Peter and Paul, Saskatoon

Members of our community can watch Divine Liturgy from home.

Communion is brought to a parishioner who is unable to attend Divine Liturgy in person, but who is able to watch from home.

Your support for the Eparchial Annual Appeal will ensure that the work of the Communications Office can continue in our Eparchy. Please be generous!
