BISHOP'S MESSAGE

Dear Brothers and Sisters in Christ,

I am pleased to welcome you to the Eparchy of Saskatoon Bishop Budka Eparchial Stewardship Society Incorporated (BBESSI) website.

There are numerous faithful in the Eparchy that are generous with their time, talent and treasure. To be sure that their efforts are focused and meaningful used as best as possible, BBESSI was established to ensure that our operational costs and Eparchial Ministries can continue to be the eparchy's merciful outreach to the parishes and specific groups of people in need.

Our families are strengthened in marriage and raising children through the Family and Life Office. The issue of human dignity has never been in need of more support than now with the legalization of assisted killing. Youth and Young Adult Ministry remains a challenge as we strive to prepare our faithful for leadership roles in the church. Educating future cantors for our parishes is critical. The Ukrainian Catholic Religious Education Centre managed by the Sisters Servants of Mary Immaculate have educated and formed our laity for years now. Their vital role in keeping our church healthy is essential. The Communication Office keeps all of these parts of the Body of Christ alive and informed, by the sharing of information and news.

Therefore, I invite you to explore the site to learn more about the Bishop Budka Stewardship Society members and their activities. Please prayerfully consider supporting this work as a donor, helping to make a lasting difference in our faith community.

May God bless you always.

Sincerely in Christ,

Most Rev. Bryan Bayda, CSsR
Eparchy of Saskatoon
